

HAWORTH collection

**UMA Mini** Pablo

Audio Lantern

Like its big sister UMA, the revolutionary UMA Mini fuses state-of-the-art LED technology with 360° high-fidelity surround sound. Connect audio via a Bluetooth enabled device, and link up to 24 units simultaneously to create just the right ambiance. Reminiscent of the warmth and glow of a campfire, UMA Mini is the perfect centerpiece for social gatherings at the office, home, restaurant lounge, and any outdoor setting.
