Cotone Designed by Ronan & Erwan Bouroullec

Named after the Italian word for “cotton,” Cotone lounge and side chairs extend an invitation to sit and relax. The clean, rigorous lines of the frame create an engaging contrast to the seat’s welcoming softness to deliver highly expressive and exquisitely crafted pieces. A feather-quilted lining adds an extra layer of cushioning to the padded seat for exceptional comfort.

Features

- Lounge and side chairs add an inviting elegance to any space
- Seat and back have polyurethane foam padding with a soft feather-quilted lining, upholstered in fabric or leather
- Extruded aluminum frame was designed exclusively for Cotone
