

HAWORTH collection

Juli Plastic cappellini

Side & Conference Seating

Juli Plastic continues to emerge as the protagonist in a host of successful creative experiments. A true object of high design, Juli Plastic is also extremely comfortable. The molded plastic seat shell invites you in with its gentle curves and enveloping fit, while a range of base and color options offers customization possibilities to create contemporary yet classic looks for any style and space.

Features

- Recycled plastic seat shell is injection molded for extreme durability
- Choose from three base types for the side chair
- Conference chair has a height-adjustable five star swivel base

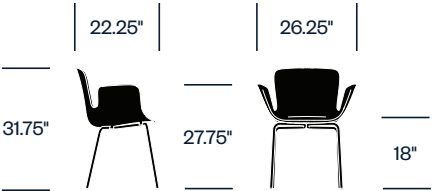

Certifications/Accolades
