Poltrona Frau R+D | 2009

Massimosistema sofas, benches, chaises, and ottomans can be configured to fit the need for lobbies and reading areas, whether a spacious sectional or armless lounge seating. On seat cushions, the double-stitched edges and cross-sections never overlap, as if each section is an individual piece. Cushions retain their shape because a special construction keeps the goose down in place. Upholstery is Pelle Frau® Color System Leather.
