

Ribbon by Cappellini

Nendo | 2007

Laser-cut and folded metal strips curve gracefully to form the unique structure of the Ribbon stool. An optional magnetic cushion with Kvadrat® fabric, leather, or Ecopelle faux leather adds comfort. It's a fun look for cafés, kitchenettes, tech bars, informal meeting spaces, and break rooms. Ribbon is available in a high or low height with White, Black, Red, Yellow, or Blue matte paint finish.
