

**9** Cassina

Tables

9 is a family of tables with a soft-spoken elegance. The stone, metal, wood, and glass materials mingle beautifully with other pieces and to create a warm and hospitable atmosphere. The round shapes and simple lines, complementary to a variety of settings and aesthetics, are enhanced by the quality of the materials used.

#### Features

- Use a single table or several in different sizes and heights throughout your space
- Mix and match a variety of materials to create the right look for any setting
- Ideal for social spaces in corporate or hospitality environments
