

HAWORTH collection

Volage EX-S Cassina

Tables

The Volage EX-S collection of tables embodies the point at which design, style, and functionality interact. Characterized by a timelessly elegant aesthetic, these versatile tables are suitable for any living or social space. Choose a simple rectangular single- or double-tiered table with rounded corners and a wide variety of marble tops. Or, for added design interest and functionality, opt for the unique double-tiered table, featuring a container unit with two handmade wooden trays and an offset marble top tier.

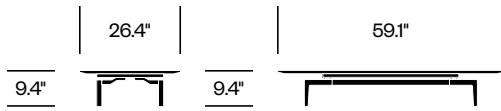

Features

- Single- and double-tier coffee-style low tables offered with a variety of marble tops
- Collection includes a unique two-level table featuring a lower container unit with two removable wooden trays and a marble offset top tier
- Extruded aluminum frame matches that of the Volage EX-S Slim sofa
