Informed by industry and user research, the Atwell collection offers guest chairs, lounge seating, and occasional tables for public spaces in healing and wellness environments. Modular lounge seating is made from tab-lock construction utilizing sealed plywood. Armcaps maintain a warm aesthetic while meeting rigorous healthcare cleanability requirements.

### Recliner Standard Features

- Tab-lock construction utilizing sealed plywood made from hardwoods
- Isocyanate-free, silver ion antimicrobial finish inhibits growth of microbes while providing a strong defense against the harshness of cleaning solutions
- All Atwell meet the applicable test requirements from ANSI/BIFMA based on testing completed in Haworth's Test Lab which is accredited for third party ANSI/BIFMA testing
- Armcaps available in wood, Solid Surface, PVC-free Thermofoil, Thermofoil, and Kydex
- Non-marring glides
- Wallsaver leg design
- Cal 117-2013 compliant
- Cal 133 options available
- Horizontal cleanout
- HHE products contribute to a wide range of LEED credits to help achieve LEED status
- Field replaceable seat and back
- Limited lifetime warranty
