Benson Sleepers

Patient Room Seating

Rest is an imperative for the well-being of patients and visitors. Benson™ sleepers provide peace of mind so patients can focus on healing, guests can stay with loved ones, and caregivers can reduce patient stress by keeping families together. Sized to accommodate all types of patient rooms, Benson sleepers respond with flexibility.

Features

- Choose from single-seat chair, space-saving sofa with two seats, or full-size sofa with three seats
- Casters make it easy to move and lock to prevent shifting while asleep
- Sleeper chair available in 30", 33", 36", and 54" wide seat options
- Space saving 2- seat sleeper sofa pulls out from the side
- Full-size sleeper sofa available in 75", 79", 83", and 87" width options
