

# Conover

Lobby Seating and Tables

The signature styling of Conover® makes this collection of seating and tables versatile enough for any lobby or waiting area. With its unique double arch design, or single arch option, Conover seating creates an elegant aesthetic. Complementary Conover tables mimic the arch design for a consistent look throughout a facility.

**Features**

- Made from hard maple with locking mortise-and-tenon construction
- Single arch arm, double arch arm, or enclosed arm options
- Tandem solutions up to four seats wide and two bariatric seating options
- Hip chairs are positioned at the proper seat height to facilitate ingress and egress for orthopedic patients
- Field-replaceable seats and backs
- Wood, Kydex, and thermofoil arm cap options
- Simple, horizontal cleanout
- Lacquered wood provides a strong defense against the harshness of cleaning solutions
- Optional antimicrobial finish inhibits the growth of bacteria
- Freestanding tables have a hard maple frame, with tops available in veneer or laminate
- Products complement Conover patient room seating

**Certifications**

- BIFMA LEVEL® 1 certified
- GREENGUARD® certified
