

HAWORTH

Enclose Frameless Glass

Moveable Walls

Combine the elegant simplicity of floor-to-ceiling glass walls with the flexibility of a reconfigurable wall system. Designed with a low base profile, Enclose® Frameless Glass creates endless runs of glass walls and flawlessly integrates with other Enclose walls, enabling seamless transitions from storefront glass to dividing walls for exceptional visual continuity.

Features

- Design allows maximum daylight to permeate the space, unobstructed by frames
- Create endless runs with straight lines, faceted curves, or variable angle corners for refined storefront designs
- Easily installs, adapts, and reinstalls without disruption, dust, or excessive downtime
- Provides the acoustical performance needed to meet today's speech privacy and confidentiality requirements, in a moveable wall system
- Integrates with Enclose walls and seamlessly transitions to Enclose Frameless Glass 2 Channel walls and conventional construction
- Multiple swing and sliding door options include double glazed, wood glazed, metal glazed, glass slab, and wood slab
- Accommodates 3/8" (10 mm) or 1/2" (12 mm) glass in tempered or laminated finishes

Certifications

- BIFMA LEVEL® 3 Certified
- GREENGUARD Certified
