

HAWORTH

Enclose

Moveable Walls

With the look, feel, and performance of fixed construction, Enclose® moveable walls offer privacy options that enable quick adaptability for changing needs—at a minimal cost.

Features

- Provides the acoustical performance needed to meet today's speech privacy and confidentiality requirements, in a moveable wall system
- Integrates with Enclose Frameless Glass and Enclose Frameless Glass 2 Channel walls, and seamlessly transitions to conventional construction
- Easily installs, adapts, and reinstalls without damage to permanent building structures, disruption, dust, or excessive downtime
- Non-progressive design lets you remove and switch any single panel or door without upsetting the wall run
- Multiple swing and sliding door options include double glazed, wood glazed, metal glazed, glass slab, and wood slab
- Monolithic and segmented tiles available in metal, laminate, wall coverings, wood, and magnetic or non-magnetic back-painted glass
- Finishes available to complement surrounding architecture and match your desking and storage
- Integrated slots accommodate hanging desking and storage with no additional components to order

Certifications

- BIFMA LEVEL® 3 Certified
- GREENGUARD Certified
