

HAWORTH

Pergola

Workspaces

Pergola™ is a freestanding architectural workspace where people can get away to connect, collaborate, or focus. Create a range of space and room solutions scalable to your needs through a spectrum of materiality choices. Simply specify, install, and reconfigure as needed—without the permanence of construction.

Features

- Broad range of solutions—scalable in performance, price, and application
- Space delineation, legibility, and visual privacy through vertical slats, tiles, infills, drapery, whiteboards, and accessories
- Simplified statement of line for efficient ordering and installation
- Moderate degree of enclosure with optional ceiling slats
- Single room sizes from 4'x4' to 12'x12'
- Horizontal framing in 2' increments
- Ability to gang rooms together to create any room size
- Vertical and horizontal tiles include: wallcovering, laminates, markerboard, PET
- Painted aluminum slats, laminate slats, drapery, glass inserts
- Accessories include transaction worksurfaces, coat hooks, worksurface support, accessory shelf
- Integrated lighting solutions
- Proud-mount technology tower
- In-wall power and data
- Touchless, barrier-free design and cleanable materials

Certifications/Accolades

- BIFMA LEVEL® 3 Certified
