

HAWORTH

Breck

Task Seating

Breck™ is the perfect blend of simple efficiency and smart ergonomics. Its innovative GeoStretch™ back with targeted flex zones provides the right amount of support where you need it, while the weight-activated mechanism easily responds to the way you sit and recline. Simple assembly requires no tools and takes less than a minute. Additionally, Breck’s small carbon footprint—through its design, manufacturing, and shipping—prioritizes sustainability.

Features

- Patented GeoStretch back with targeted support zones
- Height-adjustable lumbar comes standard
- Responsive, weight-activated, synchronized tilt mechanism
- 3-position back stop, 4-dimensional arms, and adjustable seat pan depth all come standard
