

HAWORTH

Anatra JANUS et Cie

Seating

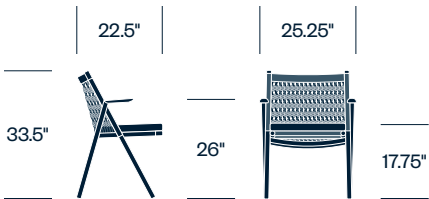

Combining smart construction and sophisticated design, the Antara collection of seating brings inviting comfort to both indoor and outdoor settings. Durable olefin ropes are masterfully hand woven into soft braiding that is intricate and sturdy, but loose enough to appear semi-transparent.

Features

- Sofa modules can be configured as needed
- Teak back on high-back lounge chair
- Strong and colorfast olefin synthetic rope fibers resist moisture, staining, mildew, abrasion, sagging, and UV rays
- Durable, protective JANUScoat powder-coat finish on a strong aluminum frame
- Standard or reticulated foam seat cushions
- Back and side pillows in standard polyester wadding
- Versatile, neutral colors enhanced by soft color contrasts
- Coordinates with Anatra tables
- Suitable for indoor/outdoor use
