

HAWORTH

Knot JANUS et Cie

Seating

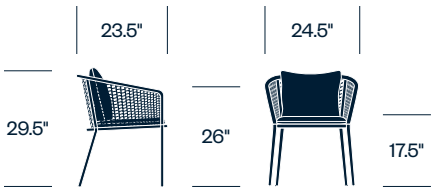

Knot seating is perfect for furnishing inviting spaces with a hint of intrigue, both indoors and outdoors. Crafted with materials made to withstand the elements, Knot seating is distinguished by an intricately handwoven seat back, which utilizes olefin ropes and a modified reef knot to create its signature pattern, as well as flexible comfort.

Features

- Densely woven olefin synthetic rope fibers resist moisture, UV rays, sagging, and abrasion
- Durable, protective JANUScoat powder-coat finish on aluminum frame
- Weather-resistant cushions available with optional reticulated foam for enhanced drainage and drying time
