Resonate

Lounge Seating

Resonate™ is a collection of contemporary, modular lounge furnishings and chairs that support people during those in-between times when ideas form. Based on a uniform platform structure, each element plays a role in creating and defining a group lounge area.

Features

- Foundation uses the same dimensions for each piece to create a variety of configurations that can adapt as needs change
- Lightweight, minimalistic, durable wire-frame design with structural, lofted-back cushions
- All pieces are freestanding to use alone or in groups that can be easily connected and kept in place with optional alignment clips
- Modular elements include:
 - Modular Lounge with Back Only
 - Modular Lounge – Right Corner
 - Modular Lounge – Left Corner
 - Ottoman – No back/no arms
 - Table – Solid or woodgrain laminate finishes with ply-edge edgeband
