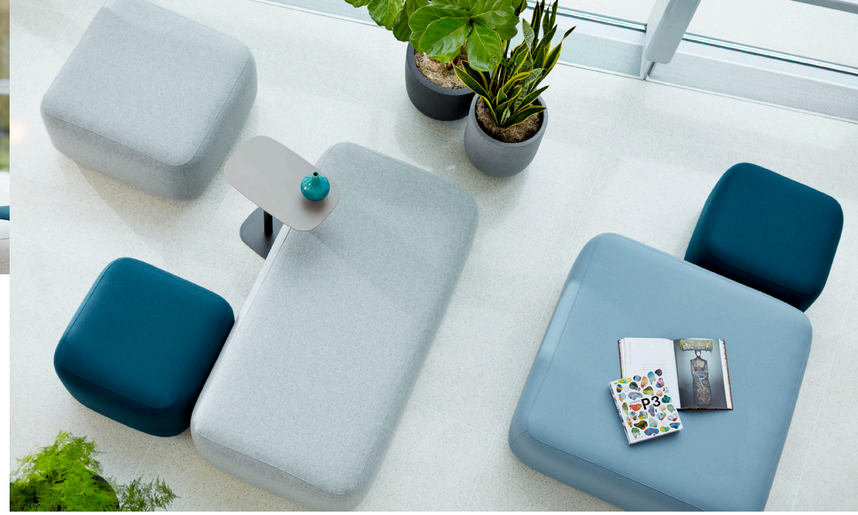
Riverbend™ & Pebble™ | Seating

Spark Creativity and Innovation

Environments that support the different ways people work are crucial for creativity and innovation. Riverbend lounge seating and Pebble ottoman are easily configured to let you create a range of settings that offer people choices for individual work and contemplation, face-to-face discussions, or collaborative sessions. With an assortment of shapes and sizes, Riverbend and Pebble combine to create numerous configurations for a wide range of applications.

Invite Spontaneous Collaboration

A culture that fosters collaboration helps people work efficiently, perform their best, and stay engaged. Riverbend and Pebble create settings that invite social interaction, casual meetings, and group work. The modern, welcoming feel of the pieces draws people in and brings them together, nurturing a positive, collaborative culture.



Flexible Solutions for Growth and Change

Cost effective, multi-functional spaces help optimize the floorplan and encourage productivity for maximum efficiency. Riverbend and Pebble offer a flexible solution that is easy to specify, configure, and reconfigure as an organization grows and evolves. The design elements encompass the simplicity and versatility required to furnish a range of environments and floorplate sizes over the long-term, while the look is neutral enough to complement other furnishings and work in a multitude of settings.

Design Choices

The modern, complementary design of Riverbend and Pebble is versatile enough to work across floorplates. The 22 pieces in a variety of shapes and sizes can be used on their own or in a multitude of combinations to easily furnish an array of short-term spaces, such as open collaborative workspaces, lounge areas, and cafés. Available with and without horizontal seams, and in a variety of colors, Riverbend and Pebble have the right amount of simplicity to blend into established environments without competing with other design elements. This versatility makes the pieces well suited for commercial, education, hospitality, and healthcare settings.
