# Soji XL

Seating

The Soji® XL chair's personalized ergonomics and scalable design give wide-ranging users a quality seating experience that promotes well-being. Built on a foundation of groundbreaking ergonomic research, Soji XL offers your entire workforce effortless comfort, extending the Soji family to accommodate more individuals. Easily adjustable, Soji XL supports diverse body sizes, shapes, and postures without sacrificing an inviting look, feel, and performance.

#### Features

- Accessible and responsive controls make Soji XL easy to adjust
- Intelligent synchronized tilt and back lock support a variety of postures and workstyles
- Wide arms, with fixed, height-adjustable, 4D, and armless options available
- Patented, height-adjustable lumbar fits the natural curvature of the lower spine
- Soji standard knits, optional faux leather, and select fabrics are cleanable and durable for heavy-duty, multi-shift use; leather upholstery is also available
- Waterfall seat edge minimizes pressure on the back of the legs
- Offers a 24.5"-wide seat pan with adjustable depth and supports up to 500 lbs.

#### Certifications

- BIFMA LEVEL® 3 Certified
- Meets BIFMA X5.11 Standard for General-Purpose Large Occupant Office Chairs
- GREENGUARD® Gold Certified
