

HAWORTH

# Veda

Office Seating

Veda™ by Daniele Gollinucci is a light-scale chair that lets people collaborate or focus in comfort. Like a ribbon, it is flexible yet supportive with a flawless curvature and minimal mass. Veda conveys form and function, rooted in decades of Italian design heritage.

#### Features

- Approachable design that blends and balances with furniture
- Simple and easy-to-use adjustments
- One-piece mesh construction with patented hinge system provides synchronized recline for a comfortable sit
- Mid- or high-back options for variety and choice
- Two mechanism options:
  - Synchronized: pneumatic height adjustment, tilt tension control, and multi-position back lock; accommodates deeper recline during moments of focus
  - Standard: pneumatic height adjustment; accommodates brief sitting sessions and collaborative activities
- Standard with fixed arms
- Plastic or polished aluminum base
- Uniform color palette with monochromatic finishes in practical choices (Black, Gray, Light Gray, and Dark Gray)

#### Certifications

- BIFMA LEVEL® 2 Certified
- GREENGUARD Gold Certified
