

HAWORTH

Very

Wire Seating

Very® wire stackers and stools offer simple, comfortable solutions wherever brief meetings happen. At the same time, they help maintain a cohesive look throughout the environment. The versatile Very family also includes task and conference seating, and side and seminar chairs.

Certifications

- BIFMA LEVEL 3 Certified
- GREENGUARD Gold Certified
- May Contribute Toward LEED® Credits

Features

- One-piece, high-strength polymer seat-and-back shell
- Optional upholstered seat and back
- Frame is made from durable 11-mm steel rod; available painted or in trivalent chrome
- Black or Fog glass-filled polypropylene hard arm caps provide durability and color choice
- Stacking:
 - Upholstered or non-upholstered chairs with arms stack, 5-high on the floor, 15-high on a cart
 - Upholstered or non-upholstered armless chairs stack, 10-high on the floor
 - Upholstered armless chairs stack 25-high on a cart
 - Non-upholstered armless chairs stack 30-high on a cart
- Optional ganging attachment enables tandem seating for arm-to-armless or armless-to-armless chairs
- Stools are available in bar or counter heights
- All Very chairs are cleanable with soap and water or disinfecting wipes; bleach cleanable materials available
- Non-upholstered wire stackers offer the highest level of cleanability
