HAWORTH

X99

Seating

Created from equal parts style and innovation, the X99® seminar chair and advanced seminar chair comfortably seat anyone, and offer a space-saving storage option when not in use. Flexible and accommodating, X99 feels like it was custom designed just for you.

Features

- With the highest level of style and performance, X99 fits just about any body as well as any environment
- Reclining back moves with you to sit more comfortably
- The seminar chair's folding seat allows convenient, space-saving nesting storage when not in use
- Glide or caster base – Glides ensure easy movement on any flooring surface while casters provide greater maneuverability
- Advanced seminar chair offers a 5-star, swivel base with free movement in any direction for maximum adaptability
- Advanced seminar offers pneumatic height adjustability for ultimate comfort in conference seating or for any task at hand
- Provides a comfortable, longer-term sit for conference and training room applications

Certifications

- BIFMA LEVEL 2 Certified
- GREENGUARD Gold Certified
