

HAWORTH

# Be\_Hold

Storage

In one storage platform, Be\_Hold® modular storage provides a complete solution for ease of planning and space optimization across an open floorplate. Be\_Hold supports human connection, social activities, and comfort through an array of accessories, personalization, and active storage options.

### Features

- The expansive offering includes pedestals, lateral files, credenzas, storage cabinets, upper storage, personal storage towers, bookcases, wardrobes, and accessories
- Glue-and-dowel construction ensures lasting performance
- Full-case bottoms create rigid structures
- Proud or inset fully finished backs are available on several components
- Metal locks are secure and durable
- Five pulls come in a variety of finishes
- Thermally fused laminate (TFL) surfaces with high-pressure laminate (HPL) top surfaces enhance durability
- Offered in a unique palette of over 20 colors and textures, with coordinating HPL options; markerboard surfaces available
- Cases and fronts may be different colors for design flexibility
- Integrates with Compose®, Compose Beam, Compose Connections, and Intuity® workstations; certain Hop®, Planes®, and Upside™ height-adjustable tables

### Certifications

- BIFMA LEVEL® 3 Certified
- GREENGUARD Certified
- Meets ANSI/BIFMA X5.9 Standard for Storage
- FSC® Certified
