

HAWORTH

V Series

Storage

V Series® steel storage solutions are designed to withstand heavy day-to-day use. With superior functionality, construction, and security—at an attractive price—V Series is flexible and scalable to meet any organization’s changing needs. Extend design and planning options even further with its seamless integration with X Series® desks.

Features

- Collection includes desk; attached, suspended, and mobile pedestals; as well as personal storage towers and lateral files
- Two integrated pulls: Standard pull in a variety of non-metallic colors; full pull matched to the case color
- Full extension, steel ball-bearing slides
- Steel construction, wear-resistant finish
- Patented box-in-box construction gives superior durability and prevents racking
- Rack-and-pinion lock system with dual-side lock bars for security
- Programmable digital locks available
- Accessories (sold separately) enable price scalability and flexibility

Certifications

- BIFMA LEVEL® 3 Certified
- GREENGUARD Certified
