HAWORTH®

MOMENTUM TEXTILES

Introducing beautiful, new performance solutions from Momentum Textiles!

In partnership with the leading supplier of sustainable contract textiles, Haworth is adding three new collections of high-performance textiles to the Alliance Program.

From social spaces to client spaces, these textile collections from Momentum offer beauty, versatility, and performance for any environment – in any market. All patterns are graded-in for easy specification on Haworth furniture.

CRYPTON GREEN

Crypton Green is one of the industry's most recognized and frequently specified performance fabrics. All Crypton Green patterns found in this collection are made with recycled fibers, contain no formaldehyde, no halogenated flame retardants, no persistent organic compounds and are GREENGUARD certified. Crypton Green offers extreme stain resistance and an impenetrable moisture barrier and is easily cleaned.
