

HAWORTH

Amari JANUS et Cie

Tables

Amari café and dining tables are modern takes on a classic design for indoor and outdoor collaborative and dining areas. Using traditional art techniques, skilled artisans create sweeping curves and strong lines by meticulously hand-weaving hundreds of JANUSfiber strands into multiple patterns, making each piece an innovative, unique work of art.

Features

- Wrapped in weather-resistant JANUSfiber — a low-maintenance synthetic fiber made from high-density, recyclable polyethylene
- Aluminum frame powder-coated with JANUScoat finish
- Simple, elegant color pallet for a range of environments
- Optional glass top
- Coordinates with Amari seating
