

HAWORTH

Active Components

Screens

Adaptable and efficient, Active Components™ screens offer a residential feel as they provide a degree of privacy and separation in smaller, higher-density spaces. Screens come together with other Active Components elements to make open floorplans and smaller workspaces more personal, comfortable, and efficient.

Certifications

- GREENGUARD Certified

Features

- Offered in a variety of materials, shapes, and profiles
- Corner, territory, and center screens: Placed on the worksurface to create personal boundaries; allow easy power access
- Accessory screen and screen saddle: Accept storage and organization tools to free up surface space; work with other screens
- Personal divider includes accessory slots, open shelf, and drawer; right- or left- mounted; painted steel; open shelf available in painted MDF or wood veneer
- Part of Haworth's Integrated Palette™
