

HAWORTH

Active Components

Side Car

The multifunctional Active Components™ Side Car provides storage as well as an alternative standing-height worksurface to encourage posture changes and foster well-being. The Side Car comes together with other Active Components elements to make open floorplans and smaller workspaces more personal, comfortable, and efficient.

Features

- Incorporates a worksurface and two painted MDF shelves a shelf divider
- Can be panel-mounted, stanchion-mounted, or freestanding
- Sliding top provides additional storage that keeps items at hand and off the worksurface
- Privacy screen adds a level of privacy for standing-height work
- Part of Haworth's Integrated Palette™

Certifications

- GREENGUARD Certified
