

HAWORTH

# Active Components

Storage

Active Components™ products give people variety and choice in how they work. Inviting and light in scale, Active Components storage, organization accessories, Side Car, worksurfaces, and screens create workspaces that help open floorplans perform better for people working individually or in groups. To optimize real estate, Active Components is designed specifically for compact footprints.

#### Certifications

- GREENGUARD Certified

#### Features

- Collection offers a variety of multifunctional products and configurations for workstations and touchdown spaces
- Upper storage: Takes advantage of vertical space to support diverse workstyles
- Lower storage: Keeps materials, tools, and personal items handy, off the floor, and out of the way
- Worksurfaces: A variety of shapes and sizes for individual and collaborative work; panel mounted or freestanding
- Screens: Provide a degree of privacy and separation in smaller, high-density spaces
- Side car: Provides storage as well as an alternative standing-height workspace
- Part of Haworth's Integrated Palette™
