Compose® Echo workspaces redefine flexibility with a menu of components for an unmatched user experience, supporting fluid shifts between collaborative and focus work. The Compose Echo tablet markerboard offers flexible, portable options with support for collaboration and the externalization of ideas.

### Certifications & Accolades

- BIFMA LEVEL® 3 Certified
- Fast Company's Innovation by Design Award Honoree
- International Design Excellence Awards – Silver
- MetropolisLikes NeoCon Award

### Features

- Tablet markerboards have dry-erase writing surfaces on both sides and can be positioned in a portrait or landscape mode
- Tablet markerboards measure 22" x 30" (559 x 762 mm) and magnetically attach to the Compose Echo accessory frame with optional rail for use at a workstation or on a tabletop
- Tablet markerboards are lightweight and have a built-in handle for easy portability
