

HAWORTH

Openest Retreat

Private Workspaces

Openest® collection, designed by Patricia Urquiola, provides adaptable solutions that respond to the ever-evolving nature of work and make the most of your floorplate. Retreats provide a private refuge for individuals or team members, as well as booth configurations for small groups.

Certifications

- Best of NeoCon – Gold Award

Features

- Break up traditional office settings with single and double retreats available as desks or booths
- The 8 retreats create refuges where people can work alone or together, or simply relax
- Choose from a wide variety of elements to present a look that's neat and uncluttered while providing a cozy, functional workspace
- Balance technology and comfort with monitor mounts and integrated collaborative technology solutions
- Stow personal belongings and keep devices charged with intuitive accessories including storage, outlets, and USB ports
