

# Cabana Lounge Table

## Tables

Cabana Lounge offers a simple, modular statement of line that includes thoughtfully integrated workspaces, embedded power options in seating and tables, visual privacy, and application flexibility. Three table shapes, with or without an optional tier can be attached to seating or freestanding and are offered in painted MDF or wood.

Cabana Lounge™ tables are manufactured in Holland, Michigan, USA and is transported in freight vehicles with optimized volume for efficient use of loading space. When a product reaches the end of its useful life, customers and partners are encouraged to avoid landfilling and instead pursue second life options.

Material	Material Weight	
Fiberboard	30.16 lbs	(71%)
Steel	7.32 lbs	(17%)
Aluminum	4.90 lbs	(12%)
Plastic	0.10 lbs	(0%)
<b>Total</b>	<b>42.48 lbs</b>	<b>(100%)</b>

## Certifications

**Greenguard Gold Certified**  
 Certification # 144053-410  
 Refer to [spot.ul.com](http://spot.ul.com) for certificate

**BIFMA Level 2 certified**  
 Refer to [NSF.org](http://NSF.org) for certificate

## Life Cycle Assessment (LCA)

Carbon Footprint	270 kg CO <sub>2</sub> eq.
Acidification	0.57 kg SO <sub>2</sub> eq.
Eutrophication	0.088 kg N eq.
Smog	9.2 kg O <sub>3</sub> eq.
Ozone Depletion	2.00E-06 kg CFC11 eq.

## Impact by Life Cycle Stage

## Material Chemistry

Haworth is committed to providing our customers with products that support safe and healthy environments. We are working diligently toward the ongoing reduction of hazardous chemicals associated with parts and materials we source, as new safer alternatives become commercially available.

These include, among others, PVC, benzidine dyes, hexavalent chromium, certain hazardous phthalates, PBDE flame retardants, and those chemicals known to contribute towards ozone depletion.

We are committed to achieving our goal of being transparent with our customers on our progress.

## LEED v4 Contributions

Cabana Table contributes to LEED v4 Certification through the following credits:

- Low Emitting Materials: Product complies with ANSI/BIFMA e3-2014e Credit 7.6.1, 7.6.2 and 7.6.3

\* Product may support additional credits - contact a LEED AP or [Sustainability@Haworth.com](mailto:Sustainability@Haworth.com) to learn more

- Haworth Banned Chemical List Compliant
- Healthier Hospitals Healthy Interiors Compliant
