

Compose Beam

Individual Workspaces

Designed to optimize smaller footprints and open plan office environments, Compose Beam is a highly dynamic, light-scale, spine-based system solution that delineates space and provides the versatility and functionality people desire for today's workstyles and the ever-changing work environment.

Compose® Beam workspaces are manufactured in a zero landfill, ISO 9001 and ISO 14001 certified facility in Holland, Michigan and is transported in freight vehicles with optimized volume for efficient use of loading space. When a product reaches the end of its useful life, customers and partners are encouraged to avoid landfilling and instead pursue second life options.

Material	Material Weight	
Steel	67.13 lbs	(47%)
Aluminum	62.54 lbs	(44%)
Plastic	6.51 lbs	(5%)
Other	2.99 lbs	(2%)
Copper	2.46 lbs	(2%)
Fabric	0.80 lbs	(1%)
Total	142.43 lbs	(100%)

Certifications

Greenguard Gold Certified
 Certification # 135175-420
 Refer to spot.ul.com for certificate

BIFMA Level 3 certified
 Refer to NSF.org for certificate

Life Cycle Assessment (LCA)

Carbon Footprint	350 kg CO ₂ eq.
Acidification	1.20 kg SO ₂ eq.
Eutrophication	0.086 kg N eq.
Smog	15.0 kg O ₃ eq.
Ozone Depletion	2.60E-06 kg CFC11 eq.

Impact by Life Cycle Stage

Material Chemistry

Haworth is committed to providing our customers with products that support safe and healthy environments. We are working diligently toward the ongoing reduction of hazardous chemicals associated with parts and materials we source, as new safer alternatives become commercially available.

These include, among others, PVC, benzidine dyes, hexavalent chromium, certain hazardous phthalates, PBDE flame retardants, and those chemicals known to contribute towards ozone depletion.

We are committed to achieving our goal of being transparent with our customers on our progress.

LEED v4 Contributions

Compose Beam contributes to LEED v4 Certification through the following credits:

- Low Emitting Materials: Product complies with ANSI/BIFMA e3-2014e Credit 7.6.1, 7.6.2 and 7.6.3

* Product may support additional credits - contact a LEED AP or Sustainability@Haworth.com to learn more

- Haworth Banned Chemical List Compliant
- Healthier Hospitals Healthy Interiors Compliant
