Great Expectations
You have them as a Haworth customer and so do we. And because we value our customers, we cover our products with this Product Compatibility and Limited Warranty Policy.

OUR COMMITMENT TO PRODUCT COMPATIBILITY – INTEGRATED PRODUCT PLATFORMS - OBsolescence Policy
As a market leader in the design and manufacture of workspaces that adapt to change, we strive to maintain product compatibility within our various generations of integrated product platforms. As we develop new products there is an emphasis to provide solutions that are compatible yet allow for enhancement of previous generations of products. This benefits the customer who desires to leverage their existing products but enhance their work environment at the same time. With this mindset, under our obsolescence policy, Haworth takes reasonable steps to provide our customers with products of comparable form, fit, and function. As with any material or component, supply chain challenges can impact our ability to offer previous or existing products. In addition, fabrics and finishes are significantly impacted by design trends resulting in shorter life cycles. In these situations, we will make reasonable efforts to find coordinating solutions.

OUR COMMITMENT TO PRODUCT QUALITY – THE HAWORTH NORTH AMERICA LIMITED WARRANTY
To ensure customer satisfaction and peace of mind, we stand behind our products with the following Haworth North America Limited Warranty (“Limited Warranty”).

What Products are Covered?
This Limited Warranty applies to new products manufactured by Haworth, Inc. or Haworth, Ltd. (individually, “Haworth”) after August 1, 2022, that are sold to an end-user purchaser by Haworth or an Authorized Haworth Dealer (“Covered Products”). Covered Products also include new products manufactured by a company other than Haworth after August 1, 2022, that are sold to an end-user purchaser by Haworth or an Authorized Haworth Dealer as part of the Haworth Collection line of products, but only if such products are specifically listed below in the “What are the Warranty Periods? - Haworth Collection of Products” section of this Limited Warranty. For products manufactured on or before January 1, 2019, please refer to the applicable Haworth warranty published in the Haworth North America Price List when the product was purchased, for products manufactured after January 1, 2019 please refer to www.haworth.com for the applicable Haworth warranty or contact your local Authorized Haworth Dealer.

In this Limited Warranty, the terms “us,” “we,” “our” and similar terms refer to Haworth, and an end-user purchaser refers to the first person who purchases a Covered Product for such person’s own internal use and not for resale or distribution.

The following products are excluded from the definition of “Covered Product” and not covered by this Limited Warranty, and neither Haworth nor its affiliates will have any obligation or liability relating to them: (a) software; (b) consumable items, such as batteries and bulbs/lamps; (c) the customer’s own material (COM), or any material specified by the purchaser that is not a standard Haworth product offering, such as Haworth Alliance fabrics; (d) other than Haworth Collection products not manufactured by Haworth as described above, any item manufactured by a third party from whom Haworth purchases the item for resale without incorporating it into a Haworth product as a component or part (in those situations, if the purchaser is not a direct beneficiary of the manufacturer’s warranty, then Haworth will assign any warranty that the manufacturer provides, to the extent the warranty is assignable); (e) Ergotron® products included in the Accessories North American Price List, regardless of whether incorporated into a Haworth product as a component or part (if the purchaser is not a direct beneficiary of any applicable Ergotron® warranty, Haworth will assign such warranty to the purchaser, to the extent assignable); and (f) field painted walls and Pergola products.

What Problems are Covered?
Subject to the terms of this Limited Warranty, Haworth warrants to the end-user purchaser of a Covered Product that the Covered Product, at the time of purchase, will be free of any defect in design or workmanship that materially impairs the performance or functionality of the Covered Product under normal use (a “Defect”). This warranty is for 24-hour / 7-day multiple shift use of the applicable Covered Product; for seating products, such use is by individuals up to 325 lbs., 400 lbs. for Zody II and LX models. In this Limited Warranty, normal use means use of a Covered Product in accordance with all the following: (a) Haworth’s standards instructions, guidelines, and recommendations for that Covered Product; (b) if the Covered Product is part of the Haworth Collection and not manufactured by Haworth, then the applicable manufacturer’s standard instructions, guidelines, and recommendations for that Covered Product; and (c) applicable laws, rules, regulations, and ordinances.
A Defect excludes, and Haworth and its affiliates will not have any responsibility or liability for, the following: (a) normal wear and tear; (b) any damage, wear or failure of the Covered Product that occurs during transport of the Covered Product, or that is caused by improper use, care or maintenance of the Covered Product or by an act of God or other event outside of Haworth’s reasonable control; (c) the natural variation of color, grain or texture found in wood and leather; (d) the natural aging of materials such as wood, fabric and leather which results in colors changing over time or during use; (e) dye lot variations in fabric, leather or wall coverings; (f) the natural patina of leather during use; (g) “puddling” or wrinkling of fabrics, leather, or faux leather; (h) reverse crocking of dyes from clothing onto seating materials; (i) change in color (including fading) or other surface effects resulting from exposure to chemicals (such as chemicals in cleaning solutions) or exposure to sunlight or other sources of ultraviolet rays; (j) any damage, wear or failure of the Covered Product caused by the integration or use of any non-Haworth materials, components, devices or other products into or with any Covered Product; or (k) any damage, wear, or scratching to flooring from glides, casters, or other components.

What Remedies are Available?

All repair and replacement work will be performed by Haworth or a third party engaged by Haworth to perform the specific repair or replacement work relating to the Defect; repair or replacement work performed by any other person will void this Warranty. Haworth will not be responsible for any cost or expenses incurred by the purchaser relating to repair or replacement of a Covered Product due to a Defect, including without limitation freight, insurance, inspection, storage and similar costs and expenses. ² The tempering process for glass results in stronger glass and allows it to fracture into smaller, less harmful pieces when it breaks. Tempered glass often is referred to as “safety glass” because of this breakage feature. Although stronger, it is still important to handle tempered glass with care and avoid impact damage.
