Cappellini | Nendo | 2023 | Made in Italy

Overview

- Powder coated metal frame in matte black
- Trays in solid cedar wood or medium-density fiberboard (MDF) panels with hand-trowelled textured finish comprised of quartz powder and water-based glue
- Black plastic glides
- Underside of each tray is engraved with the designer's signature and the Cappellini logo
- Over time, resin contained in solid cedar wood can surface on the trays, resulting in texture and color changes
- Select models and colors available as part of the [Haworth NOW](#) inventory program
