

# Volage EX-S

Cassina | Philippe Starck | 2018 | Imported from Italy

---

## Features and Specifications

### Occasional Tables, Single and Double Tiers

Volage EX-S occasional tables are available with a number of different marble tops. The base is made of die cast and extruded aluminum with plastic glides.

### Occasional Table with Trays

Volage EX-S occasional tables with trays feature an offset, raised marble table top available in a number of finishes. The base is made of die cast and extruded aluminum with plastic glides. Storage is set atop the base in a metal case that is painted a matte grey finish (RAL 7022). Included are two wooden trays made of solid ash or rosewood, which can be moved to cover any of the four compartments in the metal case.

## Additional Notes

Volage EX-S tables complement Volage EX-S Slim seating.
