Features and Specifications

Sofas and Benches

Mex-Hi is a collection of modular sofas and benches which is based off a series of five frame sizes to support innumerable applications. The steel frame and elastic belts support the arm, seat, and back cushions, which are fastened discreetly to the underside of the frame by a series of knobs. The cushions are made of polyurethane foam with 100% recycled PET fiber and upholstered in removable fabric or leather. The glides are made of black plastic.

Additional Notes

Handedness is determined by the user when seated.

Mex-Hi tables complement Mex-Hi seating.
