## Features and Specifications

### Occasional Tables

Mex-Hi occasional tables are available with either a wood tray or stone top. A larger table also allows a wood tray to be integrated next to a stone top surface. The trays and tops are fastened to the underside of the steel frame by a series of knobs. The glides are made of black plastic.

### Ottomans

Mex-Hi ottomans are available with either a wood tray or stone top integrated next to a slim cushion. The cushion, trays, and tops are fastened to the underside of the steel frame by a series of knobs. The cushions are made of polyurethane foam with 100% recycled PET fiber and upholstered in removable fabric or leather. The glides are made of black plastic.
