

Features and Specifications

Dining Tables

The top is made of high density polyethylene (HDPE) slats. The frame is powder coated aluminum.

Reducer Ring

The optional reducer ring is 38mm in diameter, and may be used to support umbrellas with smaller frames. It is made of powder coated aluminum.

Additional Notes

Tate tables are designed to be used in indoor or outdoor settings. When used in outdoor environments, Tate may require special care. Refer to the Haworth Collection Surface Care Instructions for details.

Tate tables compliment Tate seating.
