Audio Lantern

Portable and rechargeable, UMA Mini features a diffused polycarbonate lens with a steel grille and silicone feet. Each lantern is equipped with a genuine leather strap and a protective cotton bag with a leather drawstring. Bluetooth connectivity provides rich, 360 degree sound with touch sensitive, full range volume control. Intuitive dual light level dim control adjusts state of the art warm dim LED technology. A USB-C to USB charging cable is included. An optional wall charger is sold separately. UMA Mini can be paired with up to 24 additional UMA Mini units simultaneously via a single Bluetooth source.

Additional Notes

All UMA Mini lighting is ETL, CE, and IP51 certified.
