Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.

Ralph Reddig

Ralph is known for bringing a fresh perspective to Haworth Design Studio, fusing the proven and the new to create meaningful designs that support people at work. He earned an industrial design degree from Kendall College of Art and Design. An accomplished designer, now retired, Ralph's achievements include several award-winning, patented products for homes and commercial applications.

Bob Wayner

A Michigan native, Bob Wayner studied furniture design at Kendall College of Art and Design. After working at local furniture and clock companies, he joined Haworth Design Studio, becoming one of the company's first industrial designers. His legacy as design lead on systems furniture projects is still celebrated in Haworth's portfolio. Bob also has more than 20 patents in furniture design.
