

HAWORTH Pablo

**Circa**

Floor Light

At once a statement piece and a functional light fixture, curvilinear Circa illuminates spaces with balanced, ambient light. This floor light features a circular, flat-panel LED disc that rests on a sturdy base with built-in USB charging port. The lightweight, easy-to-move design rotates 360 degrees, tilts in two directions, and transitions to four levels of intensity with just a touch, allowing people to control the lighting in any setting.

#### Details

- Glare-free LED flat panel
- 4-stage dim control
- Plastic shade with polycarbonate lens assembly; 360° rotation; 45° tilt
- Aluminum stem
- Plastic pedestal base with steel insert
- 8' (2.44 m) fabric-wrapped cord

## Pablo Studio

Pablo Pardo, a Venezuelan-born designer, founded Pablo Designs in 1993. Pablo Studio is a small group of makers and inventors with diverse backgrounds in industrial design and craft, and a deep understanding of manufacturing, materials, and technology. Following the Pablo philosophy of "less is more," the studio creates products that offer people unique experiences in lighting design.
