

# Gong

Side & Coffee Tables

Gong tables exemplify the essence of simple style. Both the coffee and side table bases mirror their tops, to create sleek balanced forms. The low, minimalist design complements a range of environments, including lounges, libraries, waiting rooms, community spaces, meeting rooms, and break areas.

#### Details

- Top and bottom of both the side and coffee table are laser-cut metal plates
- Supporting rod is made of durable iron and screws into place
- Black felt pads under base buffer flooring surfaces
- Matte lacquered finish in a selection of neutral colors to fit any décor

#### Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.

### Giulio Cappellini

Trained as an architect in Milan, Giulio Cappellini is an emblematic figure in the international design panorama. Founder and Art Director of the eponymous Italian furniture company, Cappellini is animated by an indomitable spirit and curiosity. He dedicates himself to design through his personal revision of contemporary design—for the Cappellini brand and as Art Director for other brands in the field.
