

HAWORTH Cassina

Mex-Hi

Sofa

Modular and versatile, Mex-Hi adds a simple elegance and refinement to office spaces. The Mex-Hi system consists of five frame sizes, with armrest, backrest, and seat cushions attached. Featuring a tubular steel base and lower seat height, Mex-Hi can be configured for many different applications.

Details

- Ideal for lounge and social spaces in commercial and residential settings
- Five frame sizes create a collection of modular pieces for inline, island, and corner applications
- Steel rod frame with chrome or lacquered finish
- Mix of polyurethane foam, 100% recycled PET fiber, and light velvet cushioning
- Upholstery is removable for cleaning
- The Mex-Hi family also includes an ottoman and freestanding tables

Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.
