Rio

Bench

Designed for dynamic outdoor spaces, Rio benches have a playful style that flows freely. There are concave, convex, and linear bench designs with several different sizes and configurations. Rio benches are comfortable, durable seating options that pair well with Rio tables.

Details

- A variety of concave, convex, and linear bench designs for multiple configurations
- Bars on the top are more tightly spaced for seated comfort
- Aluminum frame with durable, protective JANUScoat powder-coat finish
- Stainless-steel hardware
- Coordinates with Rio tables
- Optional surface mount available
- Suitable for indoor/outdoor use

Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.
