

HAWORTH

Very

Conference Chair

Designed for long-term sitting in collaborative spaces, Very[®] conference seating is naturally supportive to help people stay focused and engaged. The flexing backrest and intuitive recline mechanism ensure mobility and comfort. With a line that includes office chairs, conference chairs, side chairs, and stools, there's a Very for everyone.

Details

- Intuitive recline distributes weight for natural support and movement
- Flexing, perforated backrest follows the user's natural movement
- Durable, high-strength polymer back and seat
- Optional upholstered seat and back pad
- Pneumatic seat height adjustment
- Choose from an aluminum or plastic 5-star base; low-position base available
- All Very chairs are cleanable with soap and water or disinfecting wipes; bleach cleanable materials available
- Office chair, office stool, side chair, seminar chair, and stackable wire chairs and stools also available

Certifications

- BIFMA LEVEL[®] 3 Certified
- GREENGUARD[®] Gold Certified

Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.

Nicolai Czumaj-Bront

Nicolai Czumaj-Bront has been with the Haworth Design Studio since 2005. He has designed award-winning products such as the Very, Fern, and Breck chairs. From 2014 to 2018, Nicolai relocated to Berlin, Germany as the European Design Lead for the Haworth International Design Studio. Now back in the US, Nicolai collaborates globally as he leads Haworth's Ancillary Design Studio.

Michael Welsh

Michael Welsh is a former designer for the Haworth Design Studio. His approach balances the complexity of performance with simplicity in design to make seating feel natural. Michael is driven to create life-enriching designs that provide a more human, natural, and desired experience.
