

HAWORTH emeco

# Navy Officer

Side Chair

The upholstered Navy Officer chair is an expansion of the iconic Navy side chair line designed for the US Navy. Navy Officer has an extra level of cushioned comfort and durability. Navy Officer follows the same 77-step production process as other Navy family seating to ensure the quality, precision, and sustainability Emeco is known for. A conference chair is also available.

#### Details

- Frame made from 80% recycled aluminum
- Hand-Brushed, Clear Anodized Aluminum, or powder coated Black finish
- Upholstered seat and back in a range of textiles
- Optional armrests
- Glides are made of soft thermoplastic polyurethane (TPU) or felt
- Part of the larger Navy seating family
- Also available in a conference chair, with or without arms

#### Certifications

- Meets ANSI/BIFMA X5.1 Standard for General-Purpose Office Chairs

#### Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.

### Jasper Morrison

Born in London, Jasper Morrison attended the Royal College of Art and established his first design office in 1986. Immediately afterward, he began his long-standing collaboration with Cappellini. In his collaborations with companies such as Alessi, Flos, Rowenta, Sony, and Samsung, he strives for minimal elegance in modern archetypes linked to the past—favoring function of expression.
