

HAWORTH

# Fern

Office Chair

Fern® moves with you, featuring the innovative Wave Suspension System™ that flexes with every motion. Its nature-inspired design makes maximum comfort possible without an outer frame. With top marks in independent tests, Fern delivers all-day support and pressure relief to help you stay focused and comfortable.

## Details

- Patented Wave Suspension system supports the back from the neck down to the lumbar and pelvic regions
- Edgeless design provides responsive comfort and full range of movement
- Height-adjustable lumbar support accommodates any user
- Synchronized 3-point tilt enables comfortable, relaxed postures
- Forward tilt allows the seat pan to tilt 5° forward for upright postures
- Pneumatic height adjustment relieves pressure on the back of the legs
- 5-position back stop adjusts from upright to reclined
- Fixed arms, height-adjustable arms, 4D arms, and armless options available
- Available in digital knit, mesh, coated fabric, leather, or woven materials
- Alta dwr™ stain repellent or Alta Moisture Barrier may be added for enhanced cleanability and protection

737 mm

### Haworth Design Studio

The Haworth Design Studio collaborates with research and development partners worldwide to identify, develop, and launch innovative products. With design centers in three key locations—China, Germany, and the United States—the team focuses on creating multi-generational products and global platforms designed with regional needs and preferences in mind.

### ITO Design

ITO Design is a multinational industrial design studio with offices in Fürth, Germany and Cham, Switzerland. Founded in 1987 by Armin Sander, ITO has established a strong international reputation, with a global team working across industries to design original and innovative products and furniture pieces.
