

HAWORTH

# BuzziCube

Pouf

BuzziCube is an upholstered pouf that facilitates interaction in workspaces and lounge areas. It's made from soft acoustic foam that helps absorb sound. Group a series of poufs together to mix up seating options where people gather. BuzziCube is available in several shapes with flat or three-dimensional textures and various materials and colors.

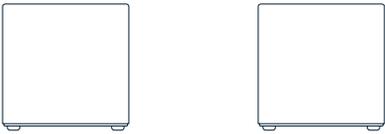

#### Details

- Acoustic performance: absorption, attenuation, and diffusion for low tones, mid tones, and high tones
- Multiple shapes—solo, duo, trio, or quatro—in flat or 3D patterns
- Anti-skid or wood bottom with four plastic feet
- Anti-skid casters available

#### Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.
