

HAWORTH Cassina

# Mex-Hi

Ottoman

Modular and versatile, Mex-Hi adds a simple elegance and refinement to office spaces. Mex-Hi sofa pieces can serve as an ottoman. The Mex-Hi sofa system consists of five frame sizes, with armrest, backrest, and seat cushions attached. Featuring a tubular steel base and lower seat height, Mex-Hi can be configured for many different applications.

## Details

- Ideal for lounge and social spaces in commercial and residential settings
- Five frame sizes create a collection of modular pieces for inline, island, and corner applications
- Steel rod frame with chrome or lacquered finish
- Leather and fabric materials available
- Upholstery is removable for cleaning
- Mex-Hi family also includes a sofa system and occasional tables

## Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.
